1st EU-MALAYSIA DEFENCE & SECURITY GOLF CHALLENGE 2010
27 NOVEMBER 2010 – KELAB REKREASI TENTERA UDARA (KRTU)

COMPETITION CONCEPT AND RULES

- Ø All players have been given a handicap for the Tournament, which is either the course-adjusted handicap (following the USGA handicap index) or their declared club handicap (in case they have not a valid USGA handicap card). The maximum allowable handicap to be applied for the Tournament score calculation is 24 for men and 36 for ladies.
- Ø All participants will be included in one of the two main groups, Malaysia or the EU. Participant groupings will be determined either by nationality of companies sponsoring the flights, or in some cases, the nationality of the players themselves. Each flight will be composed of two golfers representing Malaysia and two other golfers representing the EU.
- Ø The team (Malaysia or the EU) which will win more points will win the Challenge Trophy based on top 20 players on Stableford points.
- Ø As for individual and 4-player company-teams overall scores, stableford scoring system will be used. In the case of company-teams (4 players), to determine the winners, all 4 players scores will be taken into account.
- Ø For individual scoring, stableford scoring system will be used. Individual prizes will be based upon 2 categories i.e. Handicap 0–18 and Handicap 19–24 (men) 36 (ladies). There will be separate prizes for Team Malaysia and Team EU.
- Ø All players are to inform and familiar themselves with the Rules & Regulation of Golf.
- Ø Decisions of the Organising Committee are final. **HAPPY GOLFING!!**

Golfers are required to bring along their passport/identity card to register at the main gate otherwise entry to the Airbase is not possible.
