

EU-Malaysia Chamber of Commerce and Industry (EUMCCI) is the umbrella organisation of all EU business councils and chambers of commerce in Malaysia. As the biggest bilateral business association in Malaysia with combined membership strength of 1000+ members, EUMCCI's mission is to promote, support and develop EU business interests in Malaysia as well as facilitate trade, commerce and investments between the 27 member countries of the European Union and Malaysia.

Acting as a facilitator between the European and Malaysian business communities as well as relevant government ministries, official representations and other Chambers in Asia, EUMCCI's main objectives are:

- ❖ To contribute to trade and investment flows between the European Union and Malaysia, and foster business co-operation between these countries and Malaysia
- ❖ To collect and disseminate key market statistics and other information on trade and industry to its members
- ❖ To promote uniformity and clarity of rules and practices concerning commerce, industry and trade and act on particular issues that affect the European and Malaysian business and industrial relations
- ❖ To increase and sustain member interests in trade and industry and assist companies in Europe and Malaysia to establish long-term commercial links and partnerships.
- ❖ To provide a forum for the discussion and exchange of ideas on commerce, industry and trade between Malaysian and EU member countries
- ❖ To exchange opinions and views with other Chambers of Commerce and similar associations in Malaysia, the Asian region, and the Member States of the EU.

The above objectives are realized through the many activities of the Chamber be it through participation in EUMCCI Industry Sector Committees and Working Groups or submission of your company's issues to Memorandums of Ministerial Dialogues. As our member, you will have access to a wide network of more than 1000 corporations in Malaysia, and be part of the ever growing European Business Organisation (EBO) networks worldwide. The monthly VIP Luncheons and the CEO Breakfasts will provide an excellent platform for high level exchange of views and opinions with the relevant agencies.
